

Community use of School Facilities: Fees

The Stafford County School Board shall adopt a schedule of fees to be charged for the use of school buildings and grounds. The fees shall be based upon the actual cost to the school division, the facilities to be used, required services of school personnel and the type of organization filing the application. Higher fees may be charged when facilities are used for events open to the public and an admission fee is charged.

The superintendent may waive custodial and/or supervisory fees when satisfactory alternatives are acceptable.

Civic and community organizations in Stafford County may be permitted the use of rooms for meeting purposes without charge.

Fees, other than those assessed by the Stafford County Recreation Department and for custodial or supervisory personnel, shall be placed in a school fund to be used for the improvement of the school plant.
